

# Shoe Donations

Clean out your closets to benefit New Fairfield Sherman Animal Welfare Society! We are collecting used shoes that still have some life in them to raise money for our shelter. If you have shoes that you no longer wear, we will recycle them for you! We'll take ALL women's, men's and children's shoes as long as they are in pairs and in wearable condition (no holes, please). Flip flops, winter boots, high heels, work boots, sneakers, cleats, flats, and sandals are all acceptable.
